The Bible Overview Class is a seven-week course designed to help you see the Bible as one unified story centered on Jesus. We'll trace God's work through the Old and New Testaments, explore key themes, and show how each book contributes to God's plan. Taught by Daniel Sheaffer and Jimmy Houck, this class will strengthen your understanding of Scripture and grow your confidence in reading it through the lens of Christ. Go to [bethanycentral.org/overview](http://bethanycentral.org/overview) to learn more and register.
